

Labconco's **Cart for the Cure**

Save \$100 and Support Breast Cancer Awareness

Paint one of our Portable Tables **pink**, and it becomes the **Cart for the Cure**! October is National Breast Cancer Awareness Month, and Labconco wants to help in the fight.

Details

- From September 2 through November 28, purchase a Cart for the Cure at **\$100 off** the list price. For each cart purchased, Labconco will **donate \$50** to the **Saint Luke's Foundation**, an organization that helps provide mammograms to women who cannot afford them.
- The Cart for the Cure has all the features of our popular Portable Table, including the sturdy construction, ample shelf space and lifetime guarantee. The 18 gauge welded tubular steel frame is painted the official Breast Cancer Awareness pink. Also included is a pink ribbon identification tag.
- Contact Spectrum Chemical at 1-800-813-1514 or **www.SpectrumChemical.com** to order your Cart for the Cure (item number **336-27371**).

Order your **Cart for the Cure** now and take advantage of this dynamic duo: a discounted price and a donation to a worthy cause. Your purchase will bring you a stand-out cart that aims to help roll breast cancer out of town!
