

## SUGGESTED FORMULA

### Benzocaine, Phenol and Tannic Acid Mouth Lesion Solution

Version number: 1.0

Volume: 120 mL

|                               |            |
|-------------------------------|------------|
| Benzocaine, USP (BE130)       | 2.5gm      |
| Liquefied Phenol, USP (PH125) | 0.45mL     |
| Tannic Acid, USP (T1013)      | 10gm       |
| Alcohol 95%, USP (ET108)      | 73.5mL     |
| Propylene Glycol, USP (PR130) | 19.3mL     |
| Purified Water, USP (W1014)   | Q.S. 120mL |

## SUGGESTED COMPOUNDING PROCEDURES

1. Calculate the required quantity of each ingredient for the total amount to be prepared
2. Accurately weigh and/or measure each ingredient
3. Add the liquefied Phenol to a clean glass mortar and pestle, followed by the alcohol with stirring
4. Add the Tannic Acid and mix until finely dispersed
5. Add the Benzocaine and Propylene Glycol to the mixture
6. Add sufficient Purified Water to make total volume and thoroughly mix
7. Suggested Quality Assessments – follow pharmacy SOPs:
  - a. Weight to Volume calculation
  - b. Color
  - c. Pourability
  - d. Clarity

Store in air tight, light resistant containers

Store Room Temperature

No claims are made as to the safety or efficacy of this preparation. This formulation is provided solely at the unsolicited request of the pharmacist.

Beyond-Use Dates of preparations are conservative estimates by the formulator using reference books, peer-reviewed literature, and intended duration of therapy, formulation from commercially available

products, organoleptic observations and current USP guidelines. Compounders may have stability studies performed by a reputable laboratory if they wish to extend the Beyond-Use Date. It is recommended that you follow USP <795> recommendations for potency testing.

**Beyond-Use Date is estimated to be 30 Days Per CompoundingToday.com Formula #1565**

Precautions should be taken to prevent cross-contamination and exposure of ingredients to the compounder and contamination of the preparation by the compounder. Wear appropriate protective equipment. Use safety enclosures (hoods) when weighing and mixing.

Although much attention has been paid to ensure the accuracy of the formulation contained here, Spectrum Pharmacy Products accepts no liability for the loss or damage arising from reliance on the information. Compounding pharmacists using this formula take full responsibility for the formulations and hold Spectrum Pharmacy Products and Spectrum Chemical Mfg Corp. and its officers, directors and employees harmless for any claim arising from use of or reliance on information contained therein.
