|--------------------|----|
| Gummy base, melted | qs |
| Active Drug        | qs |

---

Note: Calibrate molds and adjust formula and API concentration accordingly.

**SUGGESTED COMPOUNDING PROCEDURES**

1. Accurately weigh or measure each ingredient
2. Triturate powders to break down any clumps in material
3. Melt the gelatin base
4. Incorporate the powder into melted base and mix well
5. Pour into molds and allow to set
6. Package and label

**Quality Assessments.**

- A. Color
- B. Uniformity of size, shape and appearance
- C. Weight

Store in air-tight container, refrigerated.

No claims are made as to the safety or efficacy of this preparation. This formulation is provided solely at the unsolicited request of the pharmacist.

Beyond-Use Dates of preparations are conservative estimates from reference books, peer-reviewed literature, and intended duration of therapy, formulation from commercially available products, organoleptic observations and current USP guidelines. Compounders may have stability studies performed by a reputable laboratory if they wish to extend the Beyond-Use Date. It is recommended that you follow USP <795> recommendations for potency testing.

**Beyond-Use Date should be assigned per current USP <795>.**

**General:** Precautions should be taken to prevent cross-contamination and exposure of ingredients to the compounder and contamination of the preparation by the compounder. Wear appropriate protective equipment. Use safety enclosures (hoods) when weighing and mixing.

Although much attention has been paid to ensure the accuracy of the formulation contained here, Spectrum Pharmacy Products accepts no liability for the loss or damage arising from reliance on the information. Compounding pharmacists using this formula take full responsibility for the formulations and hold Spectrum Pharmacy Products and Spectrum Chemical Mfg Corp. and its officers, directors and employees harmless for any claim arising from use of or reliance on information contained therein.
